Hey Timber,

**Date Adjustments Needed**

- My TA still shows September 10<sup>th</sup> to start, which was my start date but I drove the 7 hours for the Saturday to get down there. Also, I will need it amended to remove September 23<sup>rd</sup> and 24<sup>th</sup>, as I will be demobilizing today and driving the 7 hours back tomorrow on the 22<sup>nd</sup>.

**Rental Car**

- Rental car needs to be removed, as I drove my own vehicle. I have logged my miles. Do I need to just provide those after I have returned for the mileage/gas rate on my TA? Wasn't sure how that worked. All my gas receipts are under 30 dollars. So, I do not need to provide those correct?

Let me know if there's anything else I need to provide for it when I return. I believe that's it because I stayed in the RV and don't have lodging or any other expenses incurred.

Thanks.
